## Thanks for your feedbacks

*It was one of the best congresses I have attended in recent years. The variety of sessions, the world class keynote speakers and the practical part in each session was one of the unique features for this congress.*

*The congress was extremely well-organized, in a wonderful location and venue, and very well promoted and attended.*

We appreciate the team work spirit during congress, that serves all efforts throughout the Congress (from the beginning to the end) to draw the perfect picture.
